Application No. 09/319,811
Filed: July 26, 1999
Attorney Docket No. 76252

**OFFICE OF PETITIONS
ON PETITION**

This is a decision on the petition under 37 CFR 1.137(b), filed May 28, 2004, to revive the above-identified application.

The petition is GRANTED.

The above-identified application became abandoned for failure to reply in a timely manner to the final Office action mailed May 2, 2000, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on August 3, 2000.

The above-identified application is being revived solely for purposes of continuity with a Request For Continued Examination (RCE) filed on May 28, 2004.

The above-identified application has been abandoned for an extended period of time. The Patent and Trademark Office is relying on petitioner's duty of candor and good faith and accepting the statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. See Changes to Patent Practice and Procedure, 62 Fed. Reg. at 53160 and 53178; 1203 Off. Gaz. Pat. Office at 88 and 103 (responses to comments 64 and 109) (applicant obligated under 37 CFR 10.18 to inquire into the underlying facts and circumstances when providing the statement required by 37 CFR 1.137(b) to the Patent and Trademark Office).

Telephone inquiries concerning this decision should be directed to Irvin Dingle at (703) 306-5684.

The application file is being forwarded to Technology Center AU 2855 for further processing.
